- : Shipping and handling is \$20.

Total Travel Package Cost: \$993

They are, however, subject to change at the sole discretion of the airlines and/or governments that control them. Advantage Travel is obligated to collect the total amount of taxes, fuel surcharges and fees at the time of ticketing, not when payment is received.

OUTBOUND TRAVEL

- : You must be enrolled in a Syracuse University Summer London Program and travel outbound with the group to be eligible for the group fare. Transportation to/from Newark to connect with the group flight is not included.
- : Upon arrival in London, group flight participants will be transferred to the S.U. Abroad Center. (Students arriving in London independently are on their own to get to the center.)

RETURN FLIGHT INFORMATION

- : Return transportation is from London and must be completed within 1 year of your U.S. departure.
- : Transfer service is not offered on the return. Students are on their own to get to London's Heathrow airport.
- : Airline tickets cannot be issued with an "open" return. The airline ticket must show a return itinerary and travel dates.
- : You will automatically be booked on the group return flight to Newark and may opt to take advantage of the free return date change once you have reached London (see section on "Changing Your Return Ticket").
- : Students who are unable to return with the group may request a return deviation date or may request to return on a Virgin Atlantic non-stop flight to any of the following cities, for the applicable fare increase:

JFK	+ \$ 0	Boston	+ \$ 35	Washington	+ \$ 50
Chicago	+ \$ 75	Miami	+ \$ 105	Orlando	+ \$ 125
Los Angeles	+ \$ 135	San Francisco	+ \$ 135	Las Vegas	+ \$ 165

Since Advantage Travel does not hold blocks of space to the cities listed above, rates quoted are approximate and flights are subject to availability.

- : Group seating is capacity controlled and subject to group space inventory.

DOMESTIC CONNECTIONS

- : Booking your domestic flights through Advantage Travel allows our staff to monitor your flights from your home city through to London on the day of departure.
 - : If you wish to have Advantage Travel provide a quote for travel to/from Newark, please e-mail your preferred departure city and travel information to Amy Walton (awalton@advantagecny.com).
 - : In some cases, Advantage Travel is able to offer a through-fare ticket, which allows students to through-check luggage and extends the free return date change all the way through to the final destination. If through-fare ticketing is available, it will be offered.
 - : The flights we offer between your home city and Newark will be based on the most direct routing possible. Suggested flight itineraries and pricing will be e-mailed to you. *If you wish to confirm the offered flights, you must e-mail us back with your approval.*
- Important Note:** If you are booking domestic connections on your own: please do not book anything until you are confirmed on your International flight and please allow a minimum of four hours to connect in Newark.

DEVIATIONS

- : Although students are strongly encouraged to travel with the group, Advantage Travel offers student fares to destinations world-wide. If you need specialized travel planning assistance, please e-mail your preferred itinerary and travel dates to Amy Walton: awalton@advantagecny.com.
- : All flight requests must be in writing. Kindly allow at least 72 hours for us to research the best fare/schedules and respond.
- : Students opting to make their own arrangements to get to London are *not eligible* for the shuttle service.

CHANGING YOUR RETURN TICKET

- : One return date change is permitted, subject to availability. *Availability is limited* and is not guaranteed. In order to secure the best rate for your group we are required to use an inventory that can be difficult to confirm, especially during peak travel months. Please make return date changes as soon as possible to avoid disappointment.
- : Return date changes must be requested (a) in writing, (b) a minimum of 21 days prior to intended travel and (c) at least 21 days prior to the original return date shown on your airline ticket. Return date change requests that do not meet these criteria are subject to a minimum penalty of \$100.
- : Routing changes (i.e. adding or deleting stops, changing the cities you fly out of or into) are not permitted. Return travel is valid on Virgin Atlantic Airways on the originally ticketed itinerary only. Should you wish to alter your routing after arrival in Europe, you will forfeit the entire value of your return ticket and have to purchase a separate one-way ticket to return to the U.S.

PROCESSING YOUR RESERVATION

- : Group flight requests are honored on a first-come, first-served basis. Phone reservations are not accepted.
- : Reservation forms may be mailed, faxed or scanned and e-mailed. Students paying by credit card may submit their reservation on-line: http://advantagecny.com/cgi-bin/start.cgi/advantage/adv_res_upgrade/frontend/index.html?START_LINK=SYR
- : Should your flight application form be submitted after group seats are sold out or after the due date has past, Advantage Travel will do all possible to secure a separate reservation for you on the group flight at the best rate possible.
- : Every effort will be made to honor your flight/date requests. If we are not able to confirm the dates/flights you request, alternate arrangements will be offered.
- : Please allow 1-2 weeks to process your application form once it has been received.
