

## IMPORTANT NOTES

- ✓ You must submit your completed application for your student visa at least 30 days before your departure date. I recommend **December 1** (if starting in Cuenca) or **January 1** (if starting in Santiago). I cannot stress how important it is to start this process early!
- ✓ If you reside in ME, MA, NH, RI, or VT, you can apply for a visa at the honorary consulate in Boston.
- ✓ If you reside in PA or DE, you can apply for a visa at the honorary consulate in Philadelphia.
- ✓ If you reside in CT, NJ, or NY (or any of the states mentioned above), you can apply at the consulate in NYC.
- ✓ You can also apply through the consulate in Chicago, Houston, Los Angeles, Miami, San Francisco, San Juan, or Washington, D.C.
- ✓ You can either apply [online](#) (preferred) unless going through one of the honorary consulates or San Juan, and then you must apply in person by appointment. Request an appointment by emailing or calling. Please find [contact information](#) for each consulate below.
- ✓ If you apply online, you must appear in person to get your passport stamped with your student visa. Once the consulate approves your visa, they will email with an appointment date and time.
- ✓ You are applying for a Student's Resident Visa or Residente Estudiante Titular
- ✓ In order to submit your online application, click 'End' or 'Terminar' after completing all sections. After uploading your documents, a summary screen of your application will appear, and then you'll click 'End' or 'Terminar' to officially submit. Make sure to upload all required documents before clicking continue, to move to the summary screen.
