## Syracuse Madrid Center Fall 2018 Registration Instructions

---

### Online Registration: Wed., May 30-Tues., June 5

1. **READ THIS ENTIRE PACKET** and Registration FAQs **before** you attempt to register online.
2. [CHECK NOW](#) to see if you have any **holds** that will prevent you from registering.
3. **FIND YOUR PERSONAL REGISTRATION START DATE** in the [OrangeAbroad](#) message for *Learning Content: Registration Appointment & Instructions*. Syracuse Abroad registration appointments are not viewable in MySlice. (Matriculated SU students: Note that any appointment reflected in MySlice is for *main campus registration only*.) All Madrid students' registration appointments expire at 3:00 PM EDT on Tuesday, June 5. After this time, an "SUA" Registration Hold will prevent you from making any changes to your schedule until you arrive in Madrid.

#### IMPORTANT:

Make sure you will have access to a computer and the Internet during the online registration period.

Students who do not register online by **3:00 PM EDT on Tuesday, June 5** will register on-site after their arrival abroad and may find that some courses are full. There will be no exceptions to this policy.

### Course Announcements

The information following reflects updates and additions to the [Time Schedule of Classes](#) included in the Academic Packet released in April.

#### Psychology Course Restriction

Due to high demand for Psychology courses, during online registration, students may register for **only one** of the following (except Psychology majors, who may register for both):

- **PSY 375** - Cross-cultural Psychology
- **PSY 393** - Personality

Students who disregard this directive will be administratively dropped from the additional restricted course. (The registration system will not prevent you from registering for more than one of these courses.) If seats remain open after all students have registered, you may request to add an additional PSY course after you arrive in Madrid.

#### Course Cancellation

- **FIN 457** - International Financial Management will not be offered for the Fall 2018 semester due to low demand.

## Pending Class Times

Class times have yet to be scheduled for General Chemistry I (CHE 180.1 lecture, and CHE 180.2 lab), and for Calculus I (MAT 295). As soon as these times are scheduled, you will be notified via email.

## Courses in High Demand

Based on information from submitted Student Advising Forms, some courses may reach capacity and close during registration. **Be sure to have some alternative classes identified (and even placed in your Shopping Cart in MySlice)**, in case a class you would like to take is closed when you register. Listed below are classes with demand at or near capacity. This should **NOT** be interpreted as a complete list of all classes that may close:

- **ECN/PSC 300.1** - Healthcare in Europe
- **HOA 209.1** - Arts of Spain (*Consider HOA 209.2, the Tues.-Thurs. section, instead*)
- **PSC 356** - Political Conflict
- **PSY 393** - Personality

## Other Courses to Consider

As you finalize your schedule in preparation for online registration, you may want to consider the following courses:

- [ANT 381](#) - Ancient Rituals and Beliefs in Modern Spain
- [BUA 300.1](#) - Doing Business in Europe
- [SOC/WGS 300.1](#) - Gender, Race, Migration and Family in Spain
- [SOC 300.2](#) - Spanish Popular Culture
- [SPA/HST/WGS 417](#) -The History of Women in Spain (taught in Spanish)

## Spanish Language Instruction Courses

Study of Spanish language is a program requirement. Your SPA registration is subject to review and confirmation shortly after you arrive in Madrid.

Be sure to register for the required Spanish language instruction course and, if you have taken more than 4 semesters of college-level Spanish or the equivalent, another course taught in Spanish. You can find out your specific requirement(s) by identifying your language level and consulting the following [chart](#). Please also refer to the [course descriptions](#) on our website.

**Matriculated Syracuse students with no Spanish credit on their SU transcript MUST take the Spanish online placement survey/exam accessed through [MySlice](#).** This includes beginners, native or heritage speakers, and those who studied the language in high school. The exam will identify your language level, enabling you to register for the appropriate course in MySlice. [Instructions on accessing this exam](#) are available online.

## Which Spanish course(s) should I take?

No prior knowledge of Spanish	Some prior knowledge (incl. high school study), but < 2 years of college-level SPA or the equivalent proficiency (may include native and heritage speakers)	> 2 years of college-level SPA or the equivalent proficiency (may include native and heritage speakers)	
SPA 101	Choose <b>one</b> based on prior study:	Must choose <b>two</b> (one from <b>each column</b> below):	
	SPA 102 ( <i>second semester</i> ) SPA 201 ( <i>third semester</i> ) SPA 202 ( <i>fourth semester</i> )	<i>Language instruction</i>  SPA 302 SPA 428	<i>Content course taught in Spanish</i>  SPA 325/ HST/LAS 322 SPA 364 / HOA 464 SPA 400.2 SPA 400.5 / FIL 300.5 SPA/WGS/HST 417

## Registration Notes

### Register for 12-16 credits.

You must register for **at least 12 credits**, not including Signature Seminar credits, to meet both Spanish immigration and program requirements. During online registration, MySlice will not allow you to register for more than **16 credits** (5 semester courses).

If you need to register for more than this typical course load, [email Jeanne Chu](#) **PRIOR to the start of online registration** to explain your academic need. If you would like (but don't need) to take more than 16 credits, you may add a course in Madrid on a space-available basis during schedule adjustment.

- If you attempt to register for more than 16 credits, you will receive the error message "Maximum term student unit load exceeded."
- This credit restriction will NOT affect your Signature Seminar registration. Our office will administratively register you for this course after online registration concludes.

### Comply with all prerequisites.

Some courses are restricted to students who have had prior course experience. Be sure you have met any prerequisites for a course you plan to take. Prerequisites are indicated on the [Time Schedule](#) in the **Restrictions/Requisites/Notes** column, with equivalent courses described for visiting students in each [course description](#). If you do not meet a prerequisite, you may not register for the course during online registration (priority to register goes to students who meet the prerequisite). Once abroad, if there are open seats in the course, students without the prerequisite may request permission from the instructor to enroll. If the system blocks you from a course during online registration and you believe you have the necessary background, email [Jeanne Chu](#) immediately with supporting information and documentation demonstrating how you are eligible for this course.

### Your Signature Seminar will be added to your registration after June 5.

You **will not** register online for your Signature Seminar course (BIO 312 - Marine Ecology of the Mediterranean Sea and North Africa, HST/HUM/MES 400.1 - Azahar, HST/HUM 400.2 - Imperium, or SPA 300.1 - Spanish Identities). Our office will administratively add this course to your record after online registration concludes.

## Courses that meet together share one 5-digit class code.

A number of courses meet together and have cross-listings (they can be registered under more than one prefix and/or number, such as SOC/QSX/WGS 306). To prevent you from being closed out of a course under one prefix while seats under the other listings are still open, we have provided **only a single 5-digit class number** for each cross-listed course.

This means that you may want to take Sexuality in Spain for LGBT Studies credit, or Women's and Gender Studies credit, but you will see it appear on your schedule in MySlice as SOC 306. *Don't be concerned.* **Once you get to Madrid, you will have an opportunity to correct your registration so that it reflects the prefix you want.** The numbers for these courses are **highlighted in green** on the schedule.

## Wait lists require action on your part when you arrive abroad.

All wait lists will be addressed in Madrid during the schedule adjustment period. Wait-listed students are required to attend the first class session and speak with the instructor to demonstrate continued interest in the course. **Make sure you are registered for at least 12 credits NOT counting any wait-listed courses (or the signature Seminar)!** This is necessary in order to fulfill both Spanish immigration and Syracuse Madrid program requirements. See page 3 of the [Online Enrollment Guide](#) for instructions on adding yourself to a wait list in MySlice.

## Schedule adjustment takes place after your arrival in Madrid.

After you arrive abroad, you will receive a copy of your schedule, which you will then be asked to confirm. You will have an opportunity to make changes to your registration—drop and add classes—with instructor permission until the corresponding academic deadlines. **You will not schedule-adjust online.** (An “SUA” registration hold prevents you from making changes to your registration once the online registration period ends.) You will receive instructions from overseas center staff on the schedule adjustment process.

### READ ME!

#### “Class Search” and “My Planner” functions in MySlice DO NOT WORK for Syracuse Abroad classes.

**The online registration system for Syracuse Abroad classes does NOT operate the same as it does for Main Campus classes. READ ABOUT THESE KEY DIFFERENCES:**

- **You cannot use “Class Search” or “My Planner” since Madrid classes do not appear in the MySlice searchable database.** In order to register, be sure you are on the *Enroll* tab and enter the **5-digit class numbers** highlighted on the [Time Schedule of Classes](#).
- **DO NOT use the online Help during registration** (some of these directions do not apply to Madrid class registration). Instead, refer to the [enclosed three-column chart](#) that details how to add, drop, and swap classes, and the [Online Enrollment Guide](#).
- **You cannot register for more than 16 semester credits during the online registration period** (MySlice will prevent you from doing so). *If you would like to take more than 16 credits, you may add a course after arriving abroad, on a space-available basis, during the first week of classes.*
- In some cases, the system may not prevent you from registering for classes for which you are not eligible. Be sure to note any prerequisites indicated in the Time Schedule and [course descriptions](#), and **select only classes for which you are eligible.** Please note that **you may be dropped from any class for which you are deemed ineligible** based on the transcript information available to us.

# Checklist — How to Prepare to Register for Classes

## What to do BEFORE your registration appointment:

- ☐ Know your NetID and Password so you can access [MySlice](#) for course registration. If you have not used MySlice before, or if you have not activated your account or have forgotten your password, you can set up a new account or reset your password at the [IT Services website](#). **You'll need your SUID number to activate your NetID.** (Visiting Students: You can find your SUID number on your [OrangeAbroad](#) home page.) If you have activated your account but forgotten your Net ID, consult [the NetID help site](#).
- ☐ Verify and/or update contact information on MySlice, if required. You may also have to acknowledge that you have read the “Know the Codes” document. Log into MySlice, select any of the links in Student Services, and you will automatically be forwarded to any items that must be reviewed/updated.
- ☐ Check for **and resolve** holds that will prevent you from registering. Use this chart to assist you in looking up any holds on your account. *Syracuse Abroad does not place and, therefore, cannot lift account holds for you.*

How to View Holds	
Description	Expected Result
Login to <a href="#">MySlice</a> , using your NetID and Password	The MySlice homepage is displayed.
In Student Services, under <b>Finances</b> , select link “View Holds.”	All holds are displayed.

- ☐ Confirm your schedule using the following materials:
  - ☐ The **Student Advising Form** you uploaded to **Questionnaires** in OrangeAbroad.
  - ☐ Updated [Time Schedule of Classes](#)
    - Check prerequisites in course descriptions and on the Time Schedule. Do not select any course for which you are not eligible. Syracuse Abroad reserves the right to drop you from any course for which you are deemed ineligible based on the transcript information available to us.
    - Record the Class Numbers (**yellow-highlighted** 5-digit number found in the first column of the Time Schedule). **You will enter these numbers in MySlice to select your classes.**
    - Do not select courses whose meeting times conflict.
- ☐ If you are a matriculated Syracuse student and have not taken any Spanish language courses at SU nor brought in Spanish transfer or other credit, you **must take** the [online Spanish placement survey/exam](#) in order to register for the appropriate Madrid language course. Access the exam under “Student Services” in MySlice. You may also want to review these [FAQs regarding placement exams](#).
- ☐ Along with this packet, familiarize yourself with the illustrated Syracuse Abroad [Online Enrollment Guide](#), which includes screen shots and detailed instructions on MySlice functions such as how to add courses to your MySlice Shopping Cart, how to drop or swap classes once they are in your cart, and how to add yourself to the wait list of a closed class. Illustrations in the Online Enrollment Guide will help you confirm that you’re using the correct screen and tab to enroll. Please take advantage of this resource.
- ☐ **Before your registration appointment, add your course selections to your Shopping Cart in MySlice** (refer to the [Online Enrollment Guide](#)). While you will only initially register for 4-5 semester courses (12 to 16 credits), you can also put some alternative selections in your cart. Once your registration appointment begins, log back into MySlice and click the boxes next to your first-choice courses and “ENROLL” to register for classes. If you are unable to get into one or more classes, your alternative courses will still be in your cart for selection.

# Registration Instructions

**Register by Tuesday, June 5 at 3:00 PM EDT**

**Use MySlice:** <http://myslice.ps.syr.edu/>

## As You Register

Use your copy of your Student Advising Form (with the 5-digit class numbers found on the [Time Schedule of Classes](#) recorded for each course) and the Registration Instructions that follow. Go online to <http://myslice.ps.syr.edu/>. The following will explain things you may note as you register:

- Some courses may reach their enrollment limit and you may find that you are unable to register. You may have the option of adding your name to a wait list. **Wait lists are resolved after you arrive in Madrid**; if space opens up during schedule adjustment in Madrid, students on wait lists may be able to register for the course. Wait-listed students need to demonstrate their continued interest in a course by attending the first class session and speaking with the instructor.
- If you are closed out of a course that would fulfill a specific academic requirement that cannot be met by another course AND which you must take this semester in order to graduate on time, you should document this need by having your home college submit the [Academic Need Verification Form](#). We will make every effort to meet your confirmed academic needs.
- You will not be able to register or make changes to your schedule online after June 5 (an SUA registration hold will be placed on your record).

**All Madrid classes have enrollment limits. You will not be able to register for a class (or section) once the enrollment limit is reached, so be sure to have alternative course selections ready when you register.**

## Questions, Problems, and Help with Error Messages

If you encounter any problems or errors as you attempt to register for classes, refer to the [Troubleshooting Guide](#) in this packet, the Registration FAQs (also found in OrangeAbroad under **Learning Content**), and the [Online Enrollment Guide](#). If you still have questions or problems, please contact [Jeanne Chu](#) or [Marisa Lostumbo](#) at Syracuse Abroad.

### To ensure the accuracy of your schedule:

- Make sure all the sections start with “Z6\_\_” (this identifies them as Madrid classes).
- If you are an undergrad, make sure your Term Credits Total **is at least 12 credits** to confirm your status as a full-time student. **Do not include credits for wait-listed courses or the Signature Seminar.**
- Be sure to verify the section number of any course that has more than one section to confirm that you’ve registered for the correct section.

# Registration Troubleshooting Guide

## TROUBLESHOOTING AND TIPS

**Cannot see STUDENT SERVICES application:** Within the Orange header of the MySlice there is a CONTENT link. Click this link. The MySlice content page is displayed. In the middle of the page is a pagelet with section names listed with check boxes to their left. Click into the check box next to STUDENT SERVICES. Click the SAVE button at the bottom of the page. The MySlice Homepage is re-displayed and the STUDENT SERVICES section has been added. If the STUDENT SERVICES section is not a selection option, contact the ITS help line at 315-443-2677.

**Availability:** MySlice is scheduled to be available twenty-four hours a day, seven days a week. Regularly scheduled system downtimes will occur for various applications in the portal. Check the ANNOUNCEMENTS on MySlice for advance notification of downtimes. The Information Technology Services (ITS) help line is available during regular University business hours at 315-443-2677.

**Timeout:** There is an inactivity timeout on the web. There will be a warning message displayed after 55 minutes of inactivity: "Your session is about to time out..." After 60 minutes of inactivity, MySlice will "timeout," logging you out of the portal. A dialog box will be displayed with the message: "Your Session has ended." Click the yellow OK button, and log out of your browser. Restart your browser and re-enter the URL <http://myslice.ps.syr.edu> to log into MySlice using your NetID and password.

**Printing Web Pages:** Click inside the open page. Select Print Frame from File menu. When prompted, click OK.

**Scrolling and Moving:** On some web pages, you may have to scroll to the right or left to view all content on page. This is especially important to remember when building a large Time Schedule consisting of multiple-component classes.

**NetID and Password:** You must have an active NetID and password to use MySlice. You only need to activate your NetID one time. To activate your University NetID and password - your keys to the University's computing network - you can follow the simple steps outlined on the University's NetID Web page: <http://selfserv.syr.edu/selfserv/home>

## TERMS

**Autoenroll:** When one part of a course is automatically added to your schedule when you register for the other part. When you drop the Enrolled part, both parts are removed from your schedule.

**Related Part/Component:** One course set up with multiple parts. You need to select each part when registering. You will usually select the first section and then have to select from a prompt list of "related" class sections. An example is a class with two lecture sections and multiple discussion sections listed for each lecture. You must choose one lecture and one section that go together in order to register for the course.

**Section Numbering:** Numbering consists of a letter, representing the campus where the course is offered, and three digits, representing the section. For example, the section z601 is a Syracuse Abroad Madrid course identified by "601." The section M001 is a Main Campus course identified by "001" and U001 is a University College course identified by "001."

Questions regarding technical problems should be directed to [Marisa Lostumbo](#) at Syracuse Abroad, or call +1 800-235-3472.
