## Syracuse Madrid Center Fall 2019 Academic Update

---

### Prepare for Online Registration (scheduled for May 21–29)

#### STEP 1: Request courses.

- Review this packet and [course descriptions](#) on the Syracuse Abroad website.
- Select courses and plan your desired schedule, consulting the [Time Schedule of Classes](#).
  - You need special permission from Syracuse Abroad to take any course other than those found on the Time Schedule.
- Follow the online instructions to complete the Student Advising Form (SAF):
  - Log into your [OrangeAbroad](#) account. Go to **Learning Content > Academic Packet**.
- Submit your SAF by **April 10**. Be sure to hit “**Submit**.” (Don’t simply print your SAF!)
  - **Do NOT submit more than one questionnaire.**

#### STEP 2: See your academic advisor(s) and upload your signed SAF to OrangeAbroad.

- Print the PDF of your submitted SAF (emailed to you after submission), and take it to your academic advisor(s) for signatures and to confirm your course plan will keep you on track for graduation.
  - It is helpful to provide your advisors with [descriptions](#) and/or syllabi for the courses you want to have approved. You may request course syllabi from Madrid admissions counselor [Rick Cieri](#).
- Upload SAF signed by your advisor(s) to OrangeAbroad by **April 25**.
  - Upload to **Questionnaires: Student Advising Form (with Advisor’s Signature)**. Be sure to hit “Submit” (NOT “Save!”). **Only legible PDF files will be accepted.**
  - Syracuse Abroad will record any changes made on your uploaded SAF as a result of your meeting with your advisor(s). Please use the dropdown menu to indicate whether you have made any changes to your original selections.

#### STEP 3: REGISTER ONLINE for your classes **May 21-29**.

- Please note that start times vary for registration appointments.
- It can be helpful to refer to your SAF when you register. You may return to OrangeAbroad to access your uploaded form at any time.

## Grades, Transcripts, and Academic Resources

- At Syracuse University, all work for registered classes must be completed on or before the degree certification date. If you are graduating, check with your home college regarding your degree certification date, and be certain that you are aware of any remaining degree requirements.
- Information on enrollment policies, grades, SU library resources, registration, internships and independent research can be found on the [Preparing to Go website](#). **Visiting students** should also refer to this website for information on transfer credit and [requesting an SU transcript](#).
- Carefully review [academic policies](#) applicable to all Syracuse Abroad programs.
- If you need to take an **online course** during a semester abroad, first review [Syracuse Abroad-specific policy](#).
- Arrangements to do coursework on an [independent research basis](#), if needed to satisfy a degree requirement, must be made **in advance**. Due date for proposals is **May 15**.
- Check your **\_\_@syr.edu** email address regularly for messages from Syracuse Abroad.

## Madrid Center Course Information

All Madrid Center courses expected to be offered this semester are listed on the provisional [Time Schedule of Classes](#) and [Timetable schematic](#). Syracuse University reserves the right to cancel a course with low enrollment or to change the course format to an independent study.

- Where there is greater demand than space available in a course, preference for enrollment is given to majors and minors or others who can demonstrate academic need (*i.e.*, the course fulfills a specific requirement that cannot be met by another course) and who have listed the course among their Primary Course Selections on the SAF.
- Be sure you have met all prerequisites for courses you plan to take. Prerequisites are indicated in [course descriptions](#), with equivalent courses described for visiting students. If you do not meet the prerequisite, do not include the course on your SAF.

## Program Requirements

All Madrid students are required to take the following:

- A **Signature Seminar** ([Azahar](#), [Imperium](#), [Spanish Identities](#), or [Marine Ecology of the Mediterranean Sea and North Africa](#); 3 credits). You may not drop the Signature Seminar.
- A **minimum of 12 credits** in addition to Signature Seminar credits. Due to the Spanish immigration requirements that undergraduate students enroll on a full-time basis, you may not drop below 12 credits (excluding any Signature Seminar credits) at any point during the semester.
- **One Spanish language instruction course. Students at an advanced level (300+) must take an ADDITIONAL course taught in Spanish.** You can find out your specific requirement(s) by identifying your language level and consulting the following chart. Please also refer to the [course descriptions](#) on our website.

### What Spanish course(s) should I take?

No prior knowledge of Spanish	Some prior knowledge (incl. high school study), but FEWER THAN 2 years of college-level SPA or equivalent proficiency (may include native and heritage speakers)	MORE THAN 2 years of college-level SPA or equivalent proficiency (may include native and heritage speakers)

## Spanish Language Placement Exam

**Visiting students:** If you are unsure of your language level, request Spanish course syllabi from Madrid admissions counselor [Rick Cieri](#) and consult with an advisor in the languages department of your home school. You may also request access to SU's online placement exam by [emailing Jeanne Chu](#).

**MATRICULATED SYRACUSE STUDENTS:** You **MUST** take the online Spanish language placement survey/exam (accessed through [MySlice](#)) **BEFORE** submitting your SAF **UNLESS** one of the below applies:

- You have already taken one or more SPA classes **at Syracuse, OR**
- You have previously taken SU's Spanish online placement exam.

**All other SU students**—including beginners, native and heritage speakers of Spanish, AND students with AP, IB, or other college-level or transfer Spanish credit—**must** take the placement survey/exam. This will identify your language level and allow you to register in MySlice for the appropriate course. [Instructions on accessing this exam](#) are available online.

**SU Spanish beginners:** YES! Even if you have no experience studying the language, you must complete the survey in order to receive your SPA 101 placement. *If you don't take the survey, MySlice will prevent you from registering online for your Spanish class.*

**ALL STUDENTS, please note!** The survey and exam were designed for first-year college students. When you are asked how many years you have studied Spanish in high school, respond with your **TOTAL NUMBER of years** of Spanish study, **whether in high school or college.**

## Study Tours and Course Fees

Some courses include required study tours, site visits, or activities that are an integral part of the course. Please carefully review the [Course-Related Fee Sheet](#) included with this packet, and share it with your parents/guardians if they are responsible for your fees. Fees to cover the costs of supplies and mandatory field study are charged automatically to your Bursar account when you register.

If you register for any course with a mandatory study tour, you must participate in this field study. **DO NOT PLAN PERSONAL TRAVEL until you get to Madrid and know when you may be required to take part in a class-related study tour, make-up classes, Signature Seminar sessions, exam periods, and other academic commitments.**

## Online Registration Dates and Details: May 21-29

You will register online **May 21-29**. In **early May**, you will receive information about registering for your Madrid Center courses. Be sure to regularly check your email for this information. The Registration Packet will include instructions, FAQs, and your individual registration appointment time.

**During online registration, you must register for 12-16 credits** (up to 5 semester courses), not counting Signature Seminar credits.

Remember that some courses are likely to reach capacity and close during registration. Be sure to select some alternative classes on your Student Advising Form, in case a class you would like to take is closed when you register.

## Registration Restrictions

In some semesters, demand makes it necessary to limit enrollment in Psychology courses.

- Please plan to register for only **one** Psychology course of the following (only Psychology majors may register for **two**):
  - PSY 315 - Drugs and Human Behavior
  - PSY 375 - Cross-cultural Psychology
  - PSY 393 - Personality

→ *All registration restrictions will be confirmed or announced in the detailed registration instructions emailed to you prior to online registration.*

## Course-Related Fees Madrid - Fall 2019

### Review and give to your parent/guardian.

Students who register for any of the courses listed below will be charged a fee to cover special activities, such as study tours or site visits, which are an integral part of each course. Study tour fees may reflect the cost of transportation, accommodations, some group meals, and most site entry fees. **This is not a bill.**

Fees are billed from Syracuse University following the online registration period and will appear on a subsequent Bursar statement. Students receive an email notice to view their bill in MySlice. **These fees are not included** in either the tuition or program fee charges, which are typically billed prior to course fee billing. Any fee increases or new course-related fees approved after this date will be announced prior to registration. All students who register for a course with a course-related fee are required to pay the fee, even if they are only auditing the course.

**Financial Deadline to Withdraw from the Program:** Please refer to the [SU Tuition, Fees, and Related Policies Bulletin](#) for information on refund of course-related fees for students who withdraw from the program voluntarily, involuntarily, or due to suspension or expulsion.

**Financial Drop Deadline:** Students who drop a class by the Financial Deadline indicated in MySlice may request a refund of any unspent or uncommitted portion of the course fees. There is no refund of course fees to students who drop a course after this deadline.
