Special Registration Opportunities

The following options are available for those students who need to take a course to fulfill a degree requirement *not met by the courses above* in order to stay on track for graduation:

- **INDEPENDENT STUDY/GUIDED RESEARCH PROJECT:** This option may be available for matriculated Syracuse University students who **MUST** earn credit in a particular subject in Fall 2019 to meet a degree requirement and stay on track for graduation. Any independent study request must be made **by May 6** by contacting [Courtney Eppel](#). An independent study cannot be registered until both the student and their identified SU faculty sponsor complete the appropriate paperwork and turn it in to Syracuse Abroad.
- **OTHER LOCAL UNIVERSITY COURSES** at University of Economics, University of Environmental and Life Sciences, and University of Wroclaw:

Students who need to meet a degree requirement next semester may be able to take a course from one of three local universities within commuting distance from both ULS and the dormitory housing:

NOTE: If you are requesting to take any course offered at one of these local universities, contact [Courtney Eppel](#) **by May 6**.

GRADES AND ACADEMIC RESOURCES

- Grades may not post to your SU transcript until January, so you should ensure that this timing will not adversely affect you academically or in terms of financial aid awarding.
 - At Syracuse University, all work for registered classes must be completed on or before the degree certification date. If you are graduating, you should seek advice from your home college regarding your degree certification date and also be certain you are aware of any remaining degree requirements.
- Information on enrollment policies, grades, SU library resources, registration, internships and independent study can be found on the *Preparing To Go* [website](#). Visiting students should also look at this site for information on transfer credit and [requesting an SU transcript](#).
- You should carefully review [academic policies](#) applicable to all Syracuse Abroad programs.
- If you would like to take an [online course](#) during a semester abroad, first review Syracuse Abroad-specific policy.
- Arrangements to do coursework on an [independent research basis](#) if needed to satisfy a degree requirement must be made **in advance** (see more information under [Special Registration Opportunities](#)). **Due date for such proposals is May 6.**
- You should regularly check your *syr.edu* email for messages from Syracuse Abroad.

CENTRAL EUROPE PROGRAM - FALL 2019

STUDENT ADVISING FORM (SAF) INSTRUCTIONS

Checklist for Students

[Upload](#) your signed [SAF](#) by May 3. This is NOT a pre-registration form nor does it guarantee enrollment in the courses approved by your advisor.

- ☐ On your SAF, list two or more [optional program courses](#) (in addition to the two required courses) that you would like to take in order of priority (#1 should be the course you would most like to take).
- ☐ Check that your course plan totals at least 12 credits. Undergraduates may register for up to 19 total credits however, given the rigorous travel schedule and intensive 10-week semester in Wroclaw, a maximum of 15-16 credits is highly recommended.
- ☐ Check that none of your selected courses repeat prior study (even if the course is taught in another language). If you have any questions about whether a course covers the same or similar material to one already on your transcript, have your home college review the syllabus for the new course.
- ☐ Using this packet and [course descriptions](#), seek approval for all courses from your professional academic advisor, college dean, study abroad advisor, and/or other authorized official(s) at your institution. *Documentation of the courses your college has pre-approved will facilitate your registration overseas and the transfer of credits to your degree program.*
 - **Visiting students:** If your school requires you to use its own course approval form, submit both your SAF and a copy of your school's form. If your school does not pre-approve courses as a matter of policy, please note this on your SAF. In either case, however, you should still list your course choices on this form and return it to Syracuse Abroad.
 - **SU students:** take your SAF to your professional academic advisor to ensure that the courses you select are appropriate for your program of study. You may also need to obtain some approvals from your faculty, dual college, and/or minor advisor(s). **Be sure any advising hold is lifted when you get your Student Advising form signed.**
- ☐ Scan and upload (PDFs only!) the SAF signed by your advisor(s) to the [OrangeAbroad](#) Questionnaire: 'Student Advising Form (With Advisor's Signature)' by **May 3**.
 - You can access the uploaded SAF by returning to the Questionnaire at any time. It can be helpful to refer to your SAF when you register in Wroclaw.

Instructions for Advisors

1. Using the course descriptions provided by the student, indicate your approval of a course by signing in the "Course Approval" column.

3. If you cannot approve a course, please indicate this in the "Course Approval" column.
4. Return the SAF to the student.
5. **SU ADVISORS:** Please take action needed to lift any advising hold!
