

Syracuse Strasbourg Center

Fall 2019 Academic Packet

Deadlines:

- **Submit Student Advising Form Questionnaire: April 15**
- **Upload Student Advising Form Signed by Advisor: May 1**

THIS PACKET CONTAINS:

- **ACADEMIC INFORMATION**
- **TIME SCHEDULE OF CLASSES**
- **SPECIAL PROGRAMS**
- **COURSE-RELATED FEES**

Syracuse Abroad

Syracuse ABROAD

SYRACUSE STRASBOURG CENTER

Fall 2019 Academic Update

PREPARE FOR COURSE REGISTRATION IN STRASBOURG

STEP 1 - Request Courses

- ☐ **Review** this packet and [course descriptions](#) on the Syracuse Abroad website.
- ☐ **Consult** the Time Schedule of Classes to select courses and plan your desired schedule.
 - You need special permission from Syracuse Abroad to take any course not found on the Time Schedule.
- ☐ **Follow** the online instructions to complete the Student Advising Form (SAF):
 - Log into your [OrangeAbroad application](#). Go to **Learning Content: Academic Packet**.
- ☐ **Submit** your SAF by **April 15**.
 - Be sure to hit 'Submit' (do not simply print SAF).
 - Do NOT submit more than one questionnaire.

STEP 2 – Seek Advising and Upload Signed SAF to OrangeAbroad

- ☐ **Print** the PDF of your submitted SAF (emailed to you after submission) and take it to your academic advisor(s) to ensure your course plan will keep you on track for graduation.
 - It is helpful to print and provide your advisor with [descriptions](#) of all the courses you want to get approved. Contact Strasbourg Admissions Counselor [Joelle Orecki](#) if you need a course syllabus.
- ☐ **Upload** SAF signed by your advisor(s) to [OrangeAbroad](#) no later than **May 1**.
 - Upload to **Questionnaire: Student Advising Form (with Advisor's Signature)**. Be sure to hit 'Submit' (not 'Save'). Only legible PDF files will be accepted.
 - Syracuse Abroad will record any changes made on your uploaded SAF as a result of consultation with your advisor(s).

STEP 3 – Register for classes on site in Strasbourg.

- It can be helpful to refer to your SAF when you register. You may access your uploaded SAF by returning to the Questionnaire at any time.

GRADES AND ACADEMIC RESOURCES

- At Syracuse University, all work for registered classes must be completed on or before the degree certification date. If you are graduating, you should seek advice from your home college regarding your degree certification date and also be certain you are aware of any remaining degree requirements.
- Information on enrollment policies, grades, SU library resources, registration, internships and independent research can be found on the [Preparing To Go website](#). Visiting students should also look at this site for information on transfer credit and [requesting an SU transcript](#).
- You should carefully review [academic policies](#) applicable to all Syracuse Abroad programs.
- If you need to take an [online course](#) during a semester abroad, first review Syracuse Abroad-specific requirements and advice.
- Arrangements to do coursework on an [independent research basis](#) if needed to satisfy a degree requirement must be made **in advance**. Due date for such proposals is May 15.
- You should regularly check your *syr.edu* email for messages from Syracuse Abroad.

COURSE INFORMATION

All the courses expected to be offered this semester are listed on the provisional Time Schedule of Classes. Syracuse University reserves the right to cancel a course with low enrollment or to change the course format to an independent study.

PROGRAM REQUIREMENTS

Undergraduates are required to register for the following:

- The Signature Seminar course, **European Identity: Shifting Borders**, [PSC 414/IRP 300.1/HST 400.3](#) (SU IR majors must register under the IRP rubric). This course carries three credits, with additional sessions, coursework and activities during the semester. You may not drop the Signature Seminar. NOTE: This class was formerly registered as PSC 400.3 – *The European Identity*.
 - Exception: Students in the Engineering program do not participate in this credit-bearing seminar, but travel to Germany before the start of classes.
- At least 15 credits, including credits for the Signature Seminar. You may not register for more than 19 total credits without approval from your home college (visiting students seek approval from Syracuse Abroad); registration over 19 credits is subject to additional per-credit tuition charges.
- **At least one course taught in French.** If you are at the beginning or intermediate levels, this course will be FRE 101, 102, 201 or 202. If you have completed four semesters of college-level French, or its equivalent, you will take FRE 325 and/or another course taught in French (FRE 307 or FRE/HST 447). Students taking FRE 202 may also take FRE/HST 447.
 - Students admitted to an Université de Strasbourg special program fulfill this language requirement by taking French language instruction OR content courses taught in French (EX: political science, history, math, French literature, etc.) at the local university.

NEW COURSE:

- STS 300.1 - [Scientific Controversies: From Research Lab to Public Arena](#)
Matriculated SU Students: fulfills A&S Natural Sciences divisional requirement.

FRENCH LANGUAGE PLACEMENT EXAM

- **Matriculated Syracuse students:** Unless one of the below applies, you ***must*** take the online French placement exam (accessed through MySlice) **before** submitting your SAF:
- ☐ I have already taken one or more FRE classes at SU.
 - ☐ I have already taken SU's French online placement exam.
- All other SU students, **including** native and heritage speakers of French and students with FRE AP, IB, other college-level or transfer credit, should take the placement survey/exam before submitting their SAF. This will identify your language level, allowing you to register for the appropriate course in Strasbourg. Instructions on accessing this exam are available [online](#).
- **Visiting Students:** If you are unsure of your language level, request French course syllabi from [Joelle Orecki](#) and consult with an advisor in the languages department of your home school. You may also request access to SU's online placement exam by contacting [Jackie Lewis-Frenay](#).

INTERNSHIP SCHEDULING

If you have applied for and are successfully placed in an internship in Strasbourg, please be aware of the following time commitments:

- For IPA 470, 1-credit placements, students generally spend one half-day per week at their placement.
- For PSC 471, 3-credit Council of Europe internships, students generally spend two half-days at the Council each week, but time commitments will vary depending on the nature of the assignment.

STUDY TOURS/COURSE FEES

Some courses include required study tours that are an integral part of the course. Please carefully review the [course-related fee sheet](#) and also share it with your parents/guardians if they are financially responsible for your fees. If you register for any course with a mandatory study tour(s), you must participate in this field study. Fees to cover the costs of these study tours are charged automatically to your Bursar account once your registration is processed in Syracuse (typically in mid-September). **Do not plan personal travel until you get to Strasbourg and know when you may be required to take part in a class-related study tour, make-up classes, Signature Seminar sessions, exam periods, and other academic commitments.**

Syracuse Strasbourg Time Schedule of Classes Fall 2019

COURSE NUMBER	TITLE	CREDITS	INSTRUCTOR	TIMES
COM 400.2	INTERNATIONAL COMMUNICATIONS IN EUROPEAN MEDIA (English)	3	G. ZAFFUTO	Mon/Wed 5:00-6:30pm

SPECIAL PROGRAMS

IMPORTANT: Grades for courses taken at a French university may not be posted to your SU transcript until March so you should ensure that this timing will not adversely affect you academically or in terms of financial aid awarding. At Syracuse University, all work for registered classes must be completed on or before the degree certification date. If you are graduating, you should seek advice from your home college regarding your degree certification date and also be certain you are aware of any remaining degree requirements.

- **Partner University Programs at Université de Strasbourg (Unistra)**

If admitted to one of the Université de Strasbourg (Unistra) programs, you need to complete and upload your Student Advising Form seeking approval for the required Signature Seminar **European Identity: Shifting Borders**, [PSC 414/IRP 300.1/HST 400.3](#) and for any other courses offered at the Strasbourg Center in which you are interested.

Recommended center courses include [FRE 307](#) and [FRE/HST 447](#), which are taught exclusively in French.

You will not be able to indicate specific Unistra courses on your SAF, you should select the generic 'Unistra course(s) TBD' as placeholder(s) for the number of credits you intend to take at the local university (this may mean selecting this drop-down option more than once).

Registration for all partner university programs is completed in Strasbourg, once students have had to opportunity to attend classes.

- **For students enrolled in the French Language Institute (Institut International d'Etudes Françaises or IIEF):**

You will take the French placement exam at the IIEF upon arrival in Strasbourg and will be placed into the required French-language core class (6 credits) based on your level. You may also choose to register for a variety of elective one-credit courses at the IIEF in subjects including history, literature, cinema, political science, etc., OR combine classes at the Syracuse Strasbourg Center with IIEF course, schedule permitting. IIEF courses may be grouped together to fulfill course and/or credit requirements.

- **For students enrolled at the Université de Strasbourg and Sciences Po-Strasbourg:**

Syracuse Strasbourg Center Assistant Director, Dr. Mary Boyington, will be (or has been) in direct contact with you for advising and pre-enrollment/registration. Because Fall 2019 course schedules are not available until shortly before the semester starts, initial course selection for the Université de Strasbourg main campus (UdS) and Sciences Po-Strasbourg is based on course offerings from the previous academic year. We suggest that you choose several courses with your academic advisor in case of any scheduling conflicts/changes.

Final course selection is made once in Strasbourg.

- Sciences Po-Strasbourg - Students may take courses for 1st, 2nd, and 4th-year students as well as courses designed for international visiting students.
- University campus (UdS) - Students may take courses for 1st, 2nd, and 3rd-year students in the departments of Letters (French and comparative literature), foreign languages, social sciences, philosophy, history, arts and theater, etc.

- **Engineering Program**

If you have been admitted to the Engineering Program, you are expected to take the following courses:

[MAT 397](#) – Calculus III *

FRE Language *

Depending on your specific major, you will also take 2-3 of the following:

[ECS 221](#) – Statics *

[ELE 280.1](#) – Electrical Engineering Fundamentals and

[ELE 280.2](#) – Electrical Engineering Laboratory I

[PHY 280.1](#) – General Physics II and

[PHY 280.2](#) – General Physics Laboratory II

If you have room in your schedule for three additional credits, you may also consider an optional academic elective from among offerings at the Strasbourg Center.*

* See enclosed Time Schedule for meeting days and times. Meeting times for other engineering courses will be announced in Strasbourg.

COURSE-RELATED FEES STRASBOURG FALL 2019

REVIEW AND GIVE TO YOUR PARENT/GUARDIAN

Students who register for any of the courses listed below will be charged a fee to cover special activities, such as study tours, which are an integral part of the course. Study tour fees may reflect the cost of transportation, accommodations, some group meals, and most site entry fees. This is not a bill.

Fees are billed from Syracuse University following the overseas registration period, appearing on a subsequent Bursar statement. Students receive an email notice to view their bill in MySlice. These fees are not included in either the tuition or program fee charges, which are billed prior to departure. Any new course-related fees or fee increases approved after this date will be announced prior to registration. All students who register for a course with a course-related fee are required to pay the fee, even if they are only auditing the course.

Financial Deadline to Withdraw from the Program: Please refer to the [SU Tuition, Fees, and Related Policies Bulletin](#) for information on refund of course-related fees for students who withdraw from the program voluntarily, involuntarily, or due to suspension or expulsion.

Drop Deadline: Students who drop a class by the Drop Deadline indicated in MySlice may request a refund of any unspent or uncommitted portion of the course fees. There is no refund of course fees to students in the program who make course/credit changes after this deadline.

HOA 458 - Art of Romanticism (three-day trip to Paris; group meal; site entry fees)	\$345
FRE/HST 447 - France from the Revolution to the Great War (day trip to World War I site; group meal; site entry fee)	\$120
