Program?**

- The MadWorld program allows students to experience Madrid's political, social and cultural life.
- Each experience is designed for the student to take in what Madrid has to offer and put to practice what is learned in the classroom.

Each student can pick up a **Syracuse Madrid Passport** that will allow you to **collect stamps** for a **certificate** at the end of the semester.

# How does the passport system work?

- Once you're in Madrid, you can pick up your Passport in the Academics Office (room 204)!

## Virtual Museum Tours

Feeling inspired? Complete the guided reflection below or chose another musuem or exhibition to submit your own creative piece.

Guidelines and instructions for individual reflections can be found under the [Reflections section](#) of this website.

## Guided Reflection

El Prado

The Prado is undoubtedly Madrid's most famous museum. It has a collection of Spanish and international masterpieces ranging from the 12th to the 20th centuries.

Thyssen-Bornemisza

The Thyssen was once an aristocratic mansion and has paintings by Dalí, El Greco, Monet, Picasso, and Rembrandt. Some works date back to the Medieval period; others are from the 20th century.

Reina Sofia

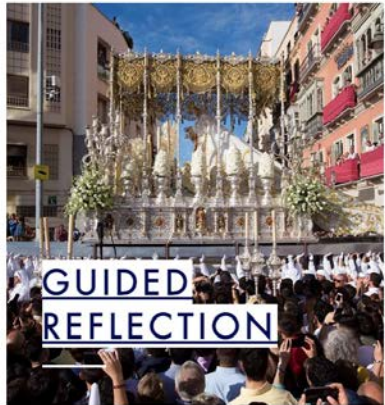

The Reina Sofia, one of Madrid's most famous museums, specializes in 20th-century Spanish art. Here you will find works from Pablo Picasso, Salvador Dalí, and other bold-faced names.

## Holidays & Festivals

Spain is known for its lavish and exciting festivals and unique holiday traditions. From Semana Santa to traditional ferias in the South, there's never a dull moment in Spain.

Below you'll find a variety of resources to explore these cultural traditions along with a **guided reflection on Semana Santa** (Spain's Easter holiday celebration).

Remember, you can always check out the [Reflections section](#) if you'd like to submit a creative reflection on any other holiday or festival.
