French Student Visa Packet

French Consulate in Washington, D.C.

All students with permanent addresses or home universities in Arizona, Colorado, New Mexico, selected counties in Southern Nevada, and selected counties in Southern California may submit their application for a French student visa through SU Abroad. Read this entire packet thoroughly. Follow the instructions in this packet and this packet alone. There are various French Consulates in the United States with different requirements, but these are the only requirements you need to fulfill.

Before you begin:

- Ensure you have a passport valid through six months after your program ends.
- Note: If you will be in need of your passport before the start of the program, we can't guarantee you to get your visa in time. Contact Marie Rauturier or Caitlin Jarvis immediately to verify your eligibility for the group submission process.
- Visa application due dates:

By October 5: Register in *Etudes en France* and submit online \$180 Campus France fee

By Tuesday, October 25: Submit visa application and supporting materials to SU Abroad

• Your main contact:

Caitlin Jarvis, London & Strasbourg Admissions Counselor 315-443-9431, <u>cajarvis@syr.edu</u>

- Do not send anything to the consulate. Send all materials to: SU Abroad ATTN: France visas 106 Walnut Place Syracuse, NY 13210
- If you are an **academic year student or considering staying for an academic year**, see page 18 of this packet.
- All international students must apply for their French visa independently. Please contact Caitlin Jarvis for more information.
- Students with European Union citizenship traveling with their EU passport do not need a visa. Contact Caitlin Jarvis for more information.

Phase One 1. Register with Campus France/Etudes en France

BEFORE YOU BEGIN: Please note that you will need a valid passport with an expiration date at least six (6) months after your program ends. If you do not have a passport, or your passport will expire before six months after your program ends, you need to apply for a new one immediately. **Have on hand the following documents:**

- Your SU Abroad official acceptance letter (as an electronic file—SU Abroad will email this to you)
- A headshot (as an electronic file, under 50ko)
- Your passport or other valid photo ID (driver's license, residence permit, visa, or other government-issued ID card—as an electronic file, under 300ko)

All students must follow the Campus France procedure to obtain a visa. Campus France has created the *Etudes en France* system to allow you to register with the French Embassy in advance of applying for your visa.

Please note that the *Etudes en France* system works best on a PC using the Firefox (Mozilla) browser. If you are using a Macintosh computer, use Google Chrome as your browser when logging into the system. *Etudes en France* will **not** work on Safari.

A PDF file has been created with English-language instructions for using *Etudes en France*. This file should have been provided to you in a visa information email and is also available at http://suabroad.syr.edu/PDF/SU%20Abroad%20EtudesEnFrance%20Instructions.pdf.

Once you've looked over the PDF file, visit <u>http://www.usa.campusfrance.org/en</u> and proceed. The *Etudes en France* registration link appears at top right.

1. Create your *Etudes en France* account.

Create your account, choosing a login (preferably your syr.edu email address) and password that you will remember. You **MUST** keep your login information handy. DO NOT lose it as the recovery process is difficult.

If you prefer, click "EN" at the very top left of the page to choose English as the display language. (Please note that if you do not see the "EN | FR" options at top left, you may not be able to select English as your language until after your account is created. However, with the help of the English instructions in the PDF file, you should be able to create the account with little difficulty.)

IMPORTANT: Under "Miscellaneous" or "Divers" at the bottom of the account creation page, you will see three check boxes. **CHECK ALL THREE BOXES** to ensure that you receive all Campus France correspondence in your login email account.

2. Confirm your *Etudes en France* account.

After you fill in the relevant information and click "Create an account," you will receive a confirmation email from Campus France. Click on the link in the email to confirm your account. You will be taken to a page where you will create your account password.

3. Make a note of your Campus France ID number.

When you create an account, you are assigned a Campus France identification number (e.g., USXX-XXXX). Log into your *Etudes en France* account. After you log in, this number will be visible at the upper right of the screen, under your name. **Please make a note of the number.** You will need to provide this number on your Campus France money order, and any time you contact Campus France, so keep it in a safe place as well so you do not forget it.

4. Upload your SU Abroad enrollment letter to your Etudes en France account.

At the top of the page, in the black navigation bar, click the "I am accepted" link.

Under "I finalize my process," click on the top link: "I have been selected for a study abroad/exchange program."

Fill out the information according to the instruction PDF. When you are asked to upload an SU Abroad enrollment letter, use the letter emailed to you along with this packet and the *Etudes en France* instruction PDF. If you are having difficulties retrieving the letter or uploading it, please contact Gael Noyes.

5. Enter your personal data.

In the **ongoing personal situation** section, you will be uploading your headshot. You'll also be uploading an image of your chosen photo ID and uploading an image of it and entering address details.

You'll add information about your **education and diplomas** and will need to upload an image of your high school or other diploma. Follow the PDF instructions.

For your **linguistic competencies**, select which French exam(s) you have taken. You'll need to upload a document for each test you select. If you haven't taken a French exam, you'll need to declare your level of competency in French and in English. There is also an optional section to document with image files previous stays in France. Again, follow the PDF instructions.

6. Verify that your file is complete.

After you have completed the personal data section, press the "Back" button. Confirm that all the information you have entered is accurate and complete. If it is, click "I confirm my final choice to Campus France USA." You will not be able to make any changes after you click the button. Your file will now be forwarded to Campus France for review.

2. Submit Your Campus France Money Order

Campus France charges a registration fee of \$180 for all applications for French student visas. The fee can be paid online here: <u>http://tapif.org/campus/</u>. After you pay the fee, please email the online receipt to Caitlin Jarvis at <u>cajarvis@syr.edu</u>.

Phase Two

This will be the actual application portion of your visa process. The following steps will only be considered complete if Phase One is complete. **Phase Two is due to SU Abroad by Friday, April 15.**

Your Official Passport

The Consulate General needs your official passport in order to place the visa inside as a permanent page. This confirms official approval of your stay in France and is required for any student not of European Union Citizenship.

If you do not have a passport or your passport will expire before six months after your program ends, apply for or renew your passport **immediately**! SU Abroad strongly recommends that you have your passport application expedited to ensure your new passport arrives in time to apply for your visa with the group. Applications for passports and passport renewal can be found at travel.state.gov/passport.

Once you have applied for your passport, contact Caitlin Jarvis and immediately begin working on the remainder of your visa application and submit it to SU Abroad by the published deadline. Do not fill out ANY passport information; we will fill that in when your new passport arrives. Add a note with your submitted documents detailing the date you submitted your passport application.

Photocopy of the ID Page of Your Official Passport

You are required to provide a copy of the identification page of your passport. Please photocopy this page onto a blank sheet of white paper with no other markings or text. Ensure the copy is clear and legible. Please see the sample below.

Please be sure that your passport is signed on the page opposite your photograph! Also check now that your passport is valid for at least SIX MONTHS after your program ends.

Two Official Passport Photos

The consulate requires separate photos to create your visa. They do not need to be the same as the photo in your passport. You may have official passport photos taken at various copy centers, drugstores, and other stores (i.e., CVS) for a fee. The photos should be two inches by two inches (2" x 2") and feature only you in front of a white background. You may not smile or take the photo yourself. Write your name clearly on the back of each photo, and send the photos in with your visa application. Please see the samples below.

Visa Application Form

Along with the required documents, you must submit **one paper application** for your visa. Please fill out the application based on the sample provided on the following pages with your appropriate information. You should have downloaded the application when you downloaded this packet. However, if you did not, please download the pdf using this link: http://suabroad.syr.edu/PDF/French%20Visa%20Application%202016.pdf.

If you are having difficulties accessing the application, email Caitlin Jarvis.

Campus France Confirmation

After you have uploaded your acceptance letter, headshot, and official photo ID to your *Etudes en France* account, you will receive an email from Campus France confirming that your Campus France application is complete. You will need to print out this confirmation to be submitted with your application materials.

Campus France Receipt

When Campus France has processed the money order you submitted to SU Abroad, you will receive another email from Campus France with a receipt confirming your payment. Print out the receipt and submit it with your application materials.

Photocopy of Driver's License, State ID, or Student ID, or Lease/Rental Agreement and Utility Bill

Your driver's license or state ID confirms your residence in the United States and/or your residence within the Washington, D.C. consulate's jurisdiction. If you go to school within the consulate's jurisdiction, your student ID card provides proof. If you live AND study in the Washington, D.C. jurisdiction, you only need to provide one form of identification. Photocopies of these identification cards should resemble the following samples:

If you lack a driver's license or state ID card, you may provide proof of your residence in the form of a **lease or rental agreement in your name or a notarized statement from the owner of leaseholder of your residence**, plus a recent utility bill in your name. A photocopy of your home utility bill should resemble the following sample. Please ensure that your home address appears on the bill:

Proof of Financial Means

The Washington, DC consulate needs proof that you have financial means to reside in Strasbourg amounting to \$820 per month abroad. SU Abroad cannot waive or alter this requirement.

There are three ways to submit proof of financial means:

- Three most recent official bank statements at your name,
- Three most recent official bank statements at your parents' names + a notarized Financial Guarantee for a Long Term Visa
- A letter from your university's financial aid office showing at least \$820 per month abroad, <u>after all your fees are deducted</u>. No screenshots will be allowed. Only a signed letter from your financial aid office will be accepted.

Bank statements: For the current statement, you may log in to your bank account online and print an official statement, or you may go into a branch and request one. If you choose to print your own, you may not simply print the screen you see with your balances. You must request a current official statement to be printed, with your name, your address, the bank logo, and your account details. If you have questions, please contact your bank.

Statements from retirement accounts, 401(k) and stock portfolios are NOT accepted by the French consulate. The bank document must come from a traditional United States bank or financial institution and must reflect a checking or savings account (or combination thereof).

Financial Guarantee for a Long Term Visa: If necessary, you may provide a bank statement of a parent or guardian and submit this statement with a supporting document (Financial Guarantee for a Long Term Visa, provided on the following page). This is an official guarantee and must be signed in front of a notary. Notarization for this document is not optional if you choose to use it.

Financial aid letter: You may also use accessible financial aid funding if your financial aid office provides you with an appropriate letter (see above).

What is a Notary?

A notary is a person authorized to perform legal formalities; in this case, authorization of a signature on an official document. This tells the consulate that it has been legally confirmed that YOU signed the document before him/her. You can find notaries at most banks. SU Abroad does not have an acting notary.

IMPORTANT: Although we will do everything in our power to help you track down a missing package, SU Abroad cannot be responsible for shipments misdelivered by UPS. It is UPS policy to require a signature for a package unless otherwise instructed, and to leave any packages in a secure location. However, we unfortunately have no control over individual drivers and whether they adhere to UPS policy.

SU Abroad recommends that you track your package when you are notified that your passport has been sent. If you have special requirements for delivery (a specific door, ringing the doorbell, etc.), these must be addressed by you as the customer with UPS.

For greater control over how your UPS shipment is delivered, please seriously consider signing up for the UPS My Choice service. You can get alerts about the package ETA and can give further instructions on what's to become of the package if you're not around when it arrives (leave it with a neighbor, leave it inside a side door, reschedule it, bring it to a different address, etc.). More information about the service appears here: http://www.ups.com/content/us/en/bussol/browse/personal/delivery_options/my_choice.html

To sign up, use this link: http://www.ups.com/mychoice/welcome.html

Please contact UPS Customer Service at 800-PICK-UPS (800-742-5877) with your tracking number if you have questions about the delivery of your package. You can make a claim for a missing package at this number, or begin the claim process from your online account.
