Travel with purpose during your semester

The following All-School Excursions are included in your program fee:

- **Alsace:** A daylong outing to explore your region's vineyards, castles, traditional culture, and cuisine!
- **Black Forest:** Just across the Rhine river, we'll spend the day visiting picturesque German villages and sites dating back to Roman times.
- **Burgundy:** An exciting weekend trip to one of France's most celebrated regions, rich with history, architecture and gastronomy (including, of course, Dijon mustard)!
- **Berlin:** A special week-long trip to discover this vibrant European capital while learning about its dramatic past and the ways in which this past is remembered today.

For independent travel:

- **Paris:** Less than two hours away on the high-speed TGV, it's easy to spend the weekend in France's Ville-Lumière. *FRE 439/HOA 365 has a scheduled study tour to Paris at the end of the semester.

Engage with your center & city

- Your special *Student Culture Card* will make all of Strasbourg's rich cultural life easily accessible and affordable.
- Gain insight into France, its past and present, through course outings to local sites, from farmers' markets to WWI battlefields.
- Meet French and foreign students at Language Exchange Meetings.
- Go deeper into the community by signing up for an internship at a school, a non-profit organization, or even a pastry shop.

Global learning opportunities

- Attend a session of the *European Union Parliament* and watch Europe's politicians debate key current issues.
- Apply for an internship at the *Council of Europe*, where more than forty European nations supervise the continent's progress in democracy and human rights.
- Visit the *European Court of Human Rights*, just down the road from the SU Center, to sit in on a court case.
