Key Definitions

"Home Country" means the country where a Covered Person has his or her true, fixed and permanent home and principal establishment or the United States. **"Sickness"** means an illness, disease, or condition of the Covered Person that causes a loss for which a Covered Person incurs medical expenses while covered under this Policy. All related conditions and recurrent symptoms of the same or similar condition will be considered one Sickness. **"Injury"** means accidental bodily harm sustained by a Covered Person that results directly and independently from all other causes from a Covered Accident. The Injury must be caused solely through external, violent, and accidental means. All injuries sustained by one person in any one Covered Accident, including all related conditions and recurrent symptoms of these injuries, are considered a single Injury. **Trip** means Syracuse University sponsored travel by air, land, or sea from the Covered Person's Home Country. It includes the period of time from the start of the trip until its end provided the Covered Person is engaged in a Covered Activity or Personal Deviation.

Emergency Travel Assistance (General, Medical & Security)

With the Travel Assistance benefit, you can receive worldwide medical and security assistance from International SOS ("ISOS"). One phone number will connect you to the International SOS network of medical and professional service teams that operate 24 hours a day, 365 days a year around the world. They will give you expert advice to take care of your medical or security needs - prior to and during your trip. ISOS may also communicate with Syracuse University as needed, depending on the situation, and can contact your family members as well.
