Application for admission

Application for F-1 VISA

Official Transcript (All transcripts must be in English or translated in English)

One (1) Academic Recommendation

TOEFL or ELPT score requirements if you are not currently taking your degree program in English

English Proficiency

All international students whose native language is not English are required to have an official TOEFL, IELTS, or PTE (Pearson Test of English) Academic score report sent directly to the University from the testing service.

Use ID code 2823 when requesting your official TOEFL scores from ETS.

Preferred TOEFL and IELTS scores vary by college (see chart below). In addition, Syracuse University will consider results of the PTE Academic for English proficiency if the score is 68 or higher:

College	Preferred TOEFL	Preferred IELTS
College of Arts and Sciences, College of Visual and Performing Arts (Communication and Rhetorical Studies program)	85	6.5
Whitman School of Management, School of Architecture	90	7.0
S.I. Newhouse School of Public Communications	102	7.0 (7.5 preferred)
School of Education, College of Engineering and Computer Science, David B. Falk College of Sport and Human Dynamics, School of Information Studies, College of Visual and Performing Arts (Departments of Art, Design, Drama, and Transmedia, Setnor School of Music)	80	6.5
All colleges	No TOEFL subscore under 20	No IELTS band under 6.0

Minimum TOEFL Sub Scores:

- Writing: 21
- Speaking, Reading, and Listening: 20

Minimum IELTS Bands:

- Writing and Speaking: 6.5
- Reading and Listening: 6.0

The TOEFL or IELTS requirement may be waived in certain situations. The decision to waive the requirement will be based on the strength of your academic performance. Some examples of these include:

- If you are attending a school in the U.S., or one outside the U.S. where the language of instruction during your entire secondary schooling has been English and you are demonstrating strong academic performance.
- If you have strong SAT or ACT reading scores (600 on the SAT critical reading section or 27 on the ACT English section).
- If you are a transfer applicant and have studied or are currently studying at a college or university in the United States for at least one full academic year and have a strong record of academic performance.

The decision to waive the standard requirement is at the discretion of the Admissions Committee, so it is recommended that you take the TOEFL, IELTS, or PTE Academic as part of the application process if your native language is not English.

Audition or Portfolio review required for all applicants to School of Architecture, Newhouse School of Public Communications and College of Visual & Performing Arts.

Copy of Passport (International applicants only).

Completed Course Request Form

Financial Requirements

International students should complete the International Student form included with this application along with copies of bank statements to prove funding availability. Bank statements must be in English or translated in English, in U.S. dollars and valid within one year of the start of the semester.

If you are an international applicant who requires an F-1 Student Visa to come to Syracuse, you must submit documentation that demonstrates the ability to fund your education for one semester or one full academic year.

Cost of Attendance

The cost of attendance for applicants to attend Syracuse University changes each academic year. This information can be found on our [Exchange Student Website under FAQ's](#). Updates for each year will not be posted until late March/April when the cost will be confirmed for the following semester.

If you are a privately or personally sponsored applicant, acceptable proof may be a signed letter of support from a bank. The certified bank statement need not show the total amount of funds in the account. Rather, it must state that the account has funds to meet your semester or full-year expenses at Syracuse University. It is not necessary for the bank statement to show the amount in US dollars; however, the currency does need to be clearly indicated.

If you are a government-sponsored applicant, you must submit a certified copy of the award letter that includes the U.S. dollar amount of the award per year, the duration of the award, and a list of expenses covered by the award.
