

The background is a stylized, low-poly illustration of a mountain landscape. It features various shades of blue and purple for the sky and distant mountains, transitioning to lighter blues and greens for the foreground. Several dark green, triangular mountain peaks are scattered across the bottom. A large, bright white circle, representing the sun or moon, is positioned on the left side, partially obscured by a mountain peak. The overall aesthetic is modern and minimalist.

WHAT TO DO IN KYRGYZSTAN

Sarah's Top 10

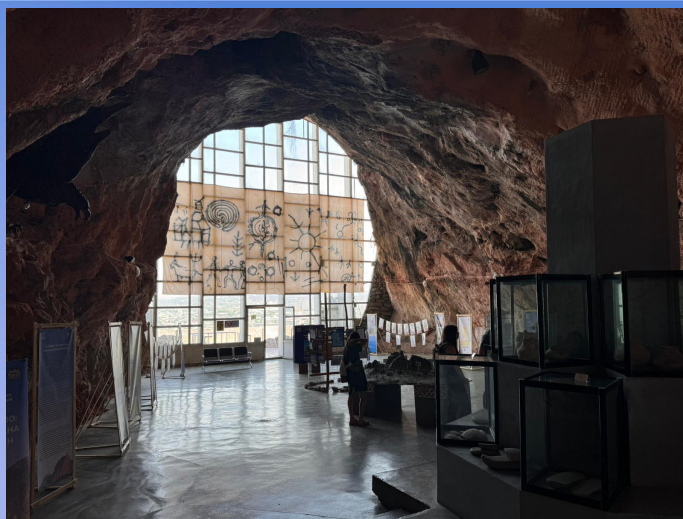

1.

Watch a Kok Boru
Game

2. Attend a music workshop

3. Visit Osh

4.
Go to the
Bazaars

Cook/eat plov and borsook
